TOMAHAWK

Steve!!! (I stutter)
I don't know what to say?
It's so very hard to tell how I
feel - but I'll try to - In all those
Army battles we went through - I guess you
could say were "veterans"! We have had an awful
lot of experiences + many great years. I hope we
have many more. May we be the best of friends + brothers
always!!

Your brother in many ways

GENERAL BIRMINGHAM

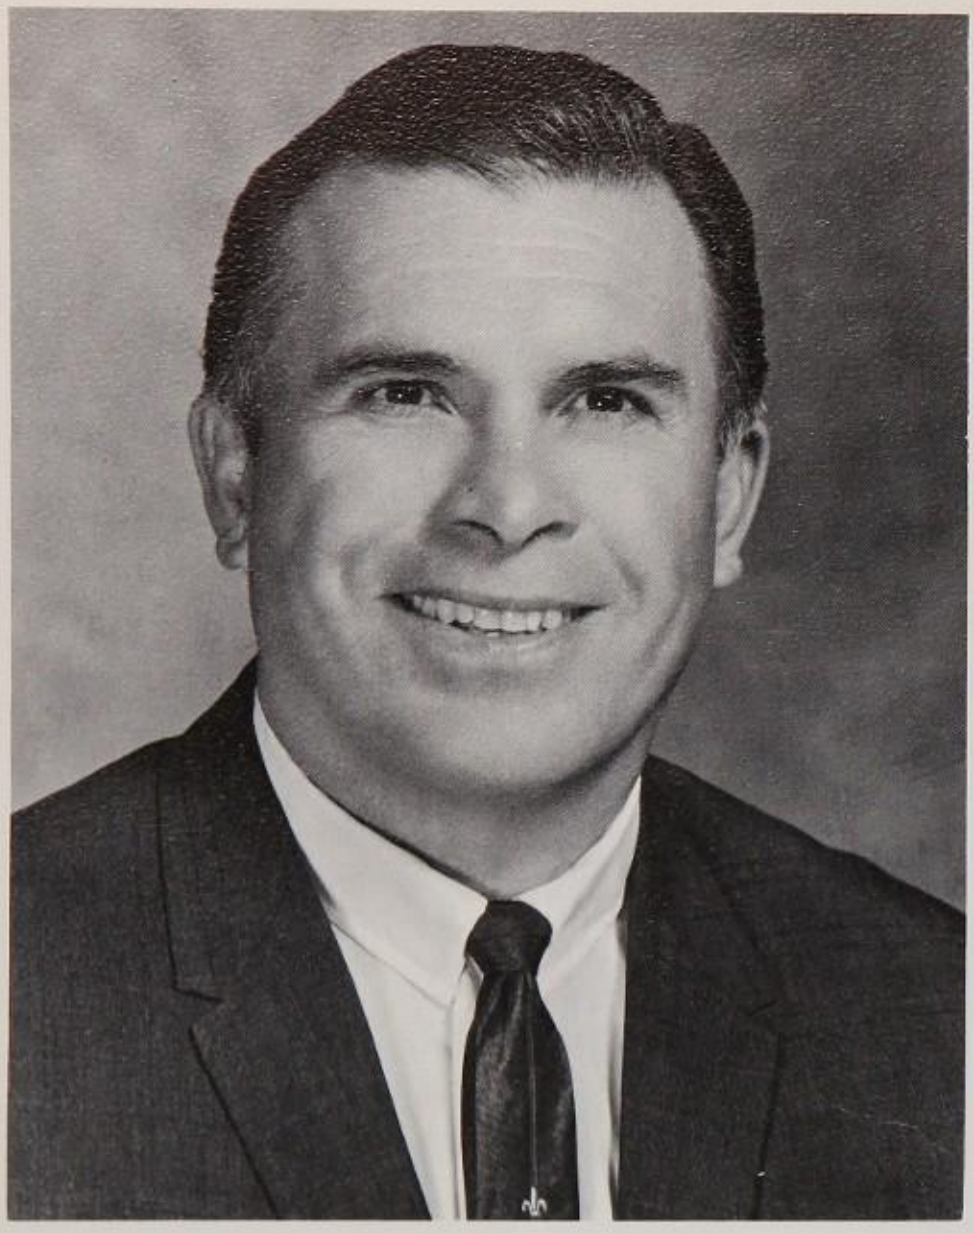
From 1943 to 1953, the halls of the Birmingham Army Hospital bustled with surgeons and hospital personnel in immaculate white coats. Since 1953, the halls of Birmingham High School have stirred with science teachers and lab assistants in similar coats. These students and faculty members belong to the Science Department, one of the sixteen excellent departments at Birmingham High.

These facilities span approximately fifty three acres of the original one hundred sixty acre World War II United States Army Hospital. It was named for the World War I Army surgeon, General Henry Patrick Birmingham.

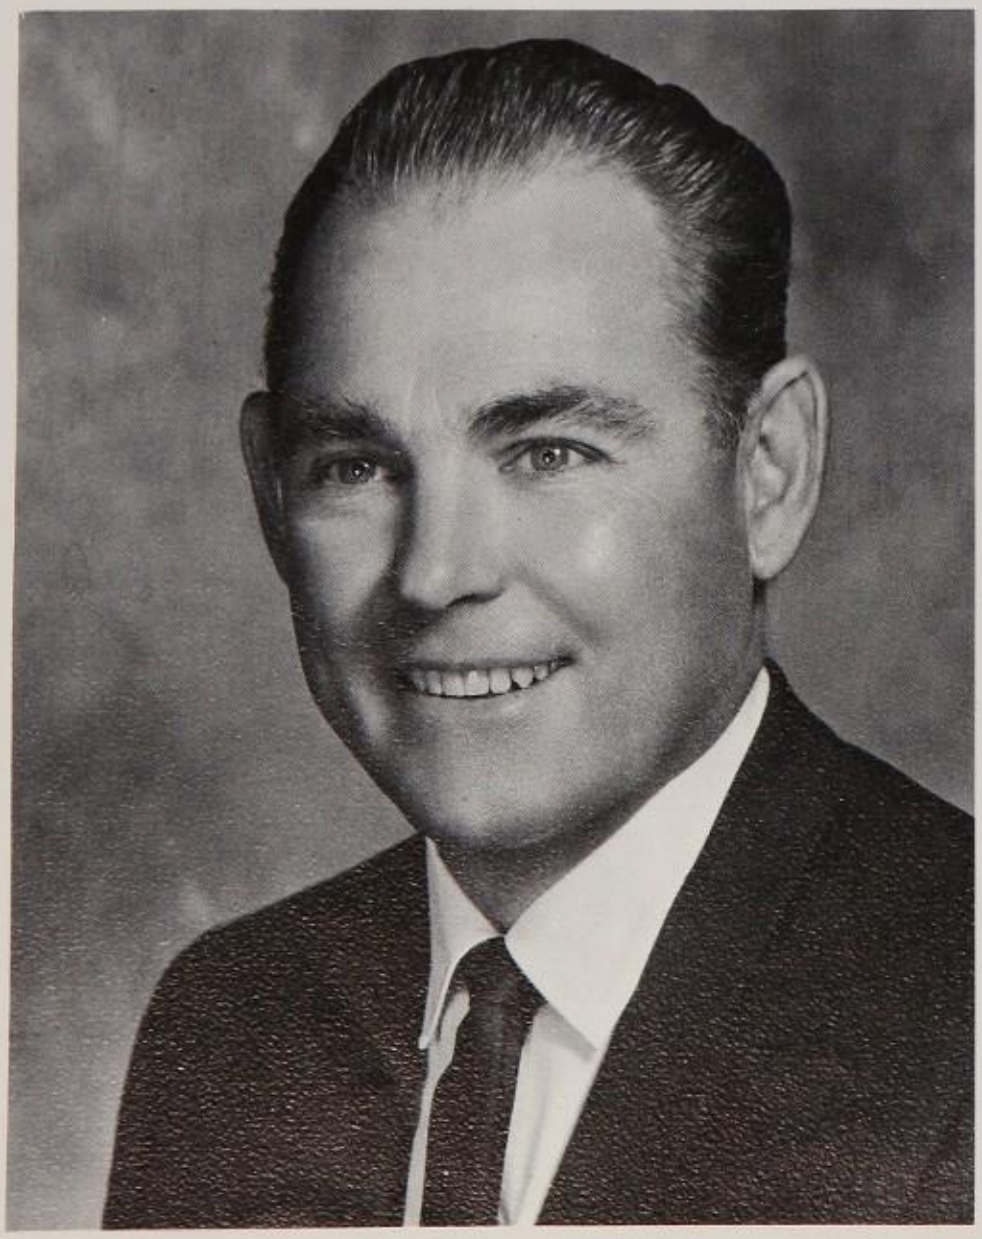
Where once long wards were filled with wounded soldiers, they now accommodate many students, performing in various school activities. These wards have been changed into modern classrooms which facilitate the educations of over 3, 500 San Fernando Valley students.

Henry Patrick Birmingham, Army surgeon and Indian fighter of the 1800's; never knew of his namesake, Birmingham High School. As a Brigadier General, fighting against the Indians, he would have been surprised to see his former foes become the emblem and mascot of Birmingham High. Those Indian Braves, brandishing their tomahawks now inspire our athletic teams to victory.

Administration



Mr. William Zazueta
PRINCIPAL SUMMER '69



Mr. Jack Hastings
PRINCIPAL WINTER '69

Upon his return to Birmingham from a fall sabbatical, Mr. William Zazueta found that his duties had been very capably executed by Mr. Jack Hastings. Mr. Zazueta stated that Mr. Hastings did "a very commendable job in a difficult position." Mr. Hastings, who "enjoyed and deeply profited by" his stay at Birmingham, is now settled in his role as principal of Clay Jr. High School in Los Angeles.

Mr. Zazueta spent his sabbatical travelling throughout Mexico and the Caribbean. Though he enjoyed his trip immensely, he was anxious to return to Birmingham and resume his duties.

CLASS SONG

When the winter class of 69's
time has run out and all of
their lives unfold,
Anything goes.
Though we're small we'd like
you all to know that we all
care enough to show blue and
gold,
Though they don't go.
We'll go on, you see
We'll grow old, you see
But as it will be we'll look
back fondly at all those good,
old days as Deitians back at
Birmingham.
So, here we are we're all
together now! Somehow it seems
all worth it now let's all
hope, everyone goes.

"Soon Comes Our Time To Leave"
Soon comes our time to leave, locked in
our hearts are fond memories,
Looking forward to success, and many years
of happiness.
Friends we've made, and friends we'll
meet,
Remembrances sad, and mem'ries sweet,
All of these are a part of life, just
like you Birmingham High.

Farewell to you, AEOLIANS so true,
Class of Summer '69, always shall you shine.
High school days will soon be gone, can
we forget them?
No, that would be wrong.
In our hearts these mem'ries dwell, and
we as AEOLIANS . . .
Leave some of ourselves.

(To the tune of Love is Blue)

Leadership is a quality that can be developed only through great effort. A student body officer is expected to exercise strong leadership at all times. This is a difficult task when one's greatest efforts in this area often go unrewarded and sometimes even unnoticed. An elected official's only real compensation is in knowing that he has worked his hardest, and that his accomplishments will be meaningful and not forgotten.

I sincerely hope that the quote on the following page will be as great an inspiration to future student body officers as it has been to me, and that it will encourage them to continue striving toward the best in everything for Birmingham High School.

STUDENT BODY PRESIDENT
Dennis Linson

Out dilated world is many times darkened by apathy, intolerance, and tired-traditions. And there are darknesses within ourselves: frustration, selfishness, despair. Yet, there is goodness and order in our awakening world and in ourselves: love courage, sacrifice, creativity, growth, concern.

For each of us holds a light which has the power to move back the darkness, in ourselves and in others. This light of positivism, when we hold it, emits the emotion that causes us to smile no matter what the weather. In our evolving world these truths never change:

. . . our power and freedom to choose--every day, every moment of our lives--between good and evil

. . . the ability of each of us to increase goodness through our individual acts

. . . the opportunity to strengthen our choices through education by walking with great people of all times and all ages, who are on the same journey with us

We must never extinguish the light, our state of mind, that illuminates the path by which those truths may be reached.

Never forget that you hold such a light. Thus the light is never far away. And we find that each of us holds a single flame which adds to the glowing light of love, courage, dedication, and growth. The Flame of the Spirit is like the Bush, Burning with Fire

. . . and the Bush is not Consumed.

Although the Bee's had a slow start the team showed spirit and a determination to win. This year's team was guided by "Rookie" Jerry Hayhoe assisted by Hy Cohen. Our team was lead by halfback Lenny Delfino who finished the campaign with a 3-1 victory, placing the Bee's in second position behind Monroe. The key to this season's success was by our strong offensive line & quick backfield, shown by our three wins. '68 team contribution was by Phil & Roy Hicks, Steve Cohen & Paul Bucky our line. Our driving backs were Joe DeWitt & Lenny Delfino.

Heartbreak is the only word to describe Birmingham's 68 season. The varsity team was riding on a record of 4 & 2 at the Christmas break. It looked as if they would be the Mid-Valley champions. After winning two games from Sylmar, the first game with Monroe, a split with San Fernando (winning the second game) we had only lost to San Fernando and Granada Hills. After Christmas Vacation they proceeded to lose both remaining games of the season. The Braves were spearheaded by the league's top scorer, Mike Shelly, who was also third highest scorer in city, with a 30.1 point average.
